What you'll gain

Speak more clearly
Say what you mean in your own words, so people understand you the first time.

Real confidence
Start speaking without fear or hesitation. Mistakes are welcome here.

English for real life
Use it where it matters to you: at home, at school or college, at work, or in an interview.

Taught the way you learn
Small batches mean the trainer hears every voice and helps each person personally.

Progress you can hear
Over the 3 months you'll hear the change in your own voice.

A small daily habit
About 5 minutes of Duolingo a day on your phone keeps English fresh.

Who it's for

Anyone who wants to speak good English · School students · College students · Working people · Job seekers · Homemakers

Mixed ages and backgrounds learn happily together. A warm, friendly room where nobody is ever made to feel small.
